

Hockey Player Expectations

2. Players must arrive to practice 30 minutes before the start time.
3. Players must bring all required equipment including their practice jersey.
4. Negative attitudes including offensive language **are not acceptable under any circumstances** and may result in being asked to leave the practice.

Missing Practice:

1. Will ultimately impact the player's ice time and opportunities.
2. If a player is sick, we must receive a phone call/text from their parents.
3. Missing practice because of schoolwork is unacceptable.
 - a. With this being said, school is the number 1 priority, however each player must learn to budget their time to fulfill all of their commitments.
 - b. If a player has other sports obligations please let the coach/manager know ahead of time so we can plan accordingly.

Games:

1. Players must **arrive one hour** before all games. This allows proper warm up and planning line-ups for each game. Failure to arrive at the designated time can result in less ice time.
2. If a player is going to miss a game, we must be notified 24 hours beforehand
3. Negative attitudes including offensive language and/or behaviors **are not accepted under any circumstances** and may result in being asked to leave the ice and respectfully remain on the bench.
4. Full equipment is required for each game. Helmet, **mouth guard, neck guard**, shoulder pads, elbow pads, leg pads, shin guards, and gloves, are all **REQUIRED** equipment. No exceptions.

Overall expectations:

1. 100% effort is expected at all times.
2. Throwing sticks and shooting pucks are unacceptable unless instructed by a coach.
3. Further actions for offensive language or behaviors towards coaches, teammates, opposing teams, and officials are subject to review and suspension by the coach and/or CIPHL league.
4. If transportation is ever an issue, please contact one of the coaches and we will try to help arrange rides.

ZERO TOLERANCE POLICY

In an effort to make ice hockey a more desirable and rewarding experience for all participants, AHAI has a very simple definition of Zero Tolerance and it will not be tolerated.

The definition is: Any lack of Respect or Unsportsmanlike conduct will not be tolerated and will be a violation of AHAI's Zero Tolerance Policy.

This campaign is designed to require all players, coaches, officials, team officials and administrators, parents and spectators to comply with the Zero Tolerance Policy. Each organization, player, coach, officials, team officials and administrators, parents and spectators are expected to enforce this Policy. In addition, AHAI has instructed the Officiating Program to adhere to certain points of interest to enforce this Policy in all USA Hockey sanctioned games. Thus, the following points of emphasis must be implemented by all On-Ice Referees and Linesmen:

- Do not force your children to participate in sports, but support their desire to play their chose sports. Children are involved in organized sports for their enjoyment. Make it fun.
- Encourage your child to play by the rules. Remember, children learn best by example, so applaud the good plays of both teams.
- Do not embarrass your child by yelling at players, coaches, or officials. By showing a positive attitude toward the game and all of its participants, your child will benefit.
- Emphasize skill development and practices and how they benefit your young athlete.
- Know and study the rules of the game and support the officials on and off the ice. This approach will help in the development and support of the game. Any criticism of the officials only hurts the game.
- Applaud a good effort in both victory and defeat, and enforce the positive points of the game. Never yell or physically abuse your child after a game or practice – it is destructive. Work toward removing the physical and verbal abuse in youth sports.
- Recognize the importance of volunteer coaches. They are important to the development of your child and the sport.
- Treat all volunteers including coaches, committee/board members, and volunteers with respect.
- Communicate with them and support them in a professional manner.
- If you enjoy the game, learn all you can about hockey – and volunteer.
